Electric Toilet Seat Cover

Modern Function, Great Design to meet every desires.

KEY FEATURES

- **RF remote control**
IPX7 water resistant certified

There is no need to worry about water and can be installed perfectly even in small spaces.

- **Hydraulic damper**

Soft-closing system when closing - opening the seat cover, and ABS plastic body can also prevent mold.

- **Space saving**

Using a remote control instead of a conventional control panel make it easier for installation and space saving.

- **Plus water stream**

Clean using electrolytic refining disinfected water to ensure greater safety and hygiene.

- **Temperature adjustable seat cover**

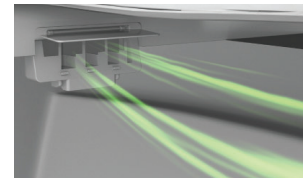

Another system that makes sitting for an extended period of time pleasant is the functionality of the seat to adjust the temperature.

- **Dryer system**

Warm/cold dryer feature to offer a soothing sensation while cleaning.

- **Air + Water stream**

Increases cleaning efficiency by pumping bubbles into the water stream using an air pump.

ABOUT COWAY

Over the past 30 years that "Coway", the water purifier and air purifier brand from South Korea, has brought the products with services innovation as "Subscription Model" or an after-service called "Coway Care" to consistently rank 1st in the South Korean market.
